1. Summary

- 1.1 The Council is required to conduct a review, at least once a year, of the effectiveness of its internal control arrangements
- 1.2 It is the Council's responsibility to undertake this review rather than the External Auditor. Neither can it be delegated to the Clerk or the Internal Auditor
- 1.3 Details of the review are given for members' consideration
- 1.4 Although it is appropriate for the Policy Committee to carry out the review, a full meeting of the Council should receive and consider the results because of the link to the Council's Annual Governance Statement

2. Recommendations

- 2.1 It is recommended that;
 - 2.1.1 The attached review checklist and audit plan are approved by Council.

3 Background

- 3.1 Community Councils are responsible for putting in place proper arrangements for the governance of their affairs and the stewardship of the resources in their care. These arrangements should enable the Council to carry out its activities effectively whilst managing risk.
- 3.2 A system of internal control should be designed to manage risk to a

reasonable level. Whilst it cannot eliminate all risk of failure to achieve policies, aims and objectives; it can provide reasonable assurance of effectiveness.

- 3.3 Regular reviews of internal control provide assurances on their effectiveness and where appropriate a management action plan can be used to address any identified weaknesses.
- 3.4 The review process includes:
- obtaining assurances from key officers within the Council to the extent that control systems have operated effectively throughout the year;
 - reviewing Internal and External Audit Inspection Reports;
 - a review of any issues arising from the last review of internal control.

4 System of Internal Control

- 4.1 Review checklists of Internal Control systems have been prepared and are shown at appendices 1 and 2, together with an Audit Plan at appendix 3. Members are asked to consider and amend these as required to ensure that the Internal Control arrangements continue to be efficient and effective for the Council.

5 Review of Internal Audit Arrangements

- 5.1 Advice provided by the Society of Local Council Clerks, states that as a minimum the review of internal audit should include an assessment of the each of the following:
- the scope of the audit
 - independence
 - competence
 - relationships
 - audit planning and reporting
- 5.2 The appointment of the Internal Auditor is made by the Clerk following approval by Council. Formal terms of engagement are issued as agreed by Council.
- 5.3 The Internal Auditor has no involvement in the financial decision making or management or administrative control of the Council. She is not asked to provide consultancy or advice on the Council's financial controls and procedures.
- 5.4 The Internal Auditor is a qualified accountant with relevant Community

Council finance experience and has an understanding of accounting processes, the role of the internal audit and awareness of risk management issues. She has an understanding of accounting requirements and of the legal framework and powers of Community Councils.

5.5 The current annual Audit Plan is produced in appendix 3
