~~Dear Mr Davies~~

I'm delighted to be able to write to you in my new role as Member of the Senedd for South Wales Central, and I wanted to take the earliest opportunity possible to make contact with you.

Having served as a community councillor for a number of years, I'm acutely aware of the pressures that you face and the lack of engagement that you sometimes experience from representatives, such as myself.

I don't think that this is acceptable, and I wanted to assure you that I will do everything that I can to make myself as accessible as possible for you.

I have already been invited to attend a number of community and town councils, and I would be more than happy to meet with yourself and your members to discuss any issues that you might have.

In the meantime, if I can be of any assistance, please don't hesitate to contact me - I look forward to working with you over the next few years.

Yours sincerely,

~~Cllr~~ Joel James MS
