Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2024 of **Lisvane Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

Audit opinion: Unqualified

On the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Other matters and recommendations

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council:

Provision of information for audit

Each year we send the Council an audit notice that specifies the information required for audit. In order to avoid additional audit fees, the Council must ensure that all required information is provided on a timely basis. This year, the Council did not provide full information related to contracts of employment.

Publication of information

The Democracy and Boundary Commission Cymru etc. Act 2013 requires the Council to publish certain information on its website. The site itself is not fully open to the public. During the audit we received the following error message when attempting to access the site – "429 Too Many Requests. The user has sent too many requests in a given amount of time."

We recommend that the Council reviews its website to ensure that it remains accessible at all times.

Approval of members' allowances

Councils in Wales are allowed to pay their members allowances in accordance with the Independent Remuneration Panel's report. Lisvane Community Council must however, determine the amount of allowances to be paid to its chair. During the audit we were unable to locate any decision made by the Council regarding the Chair's allowance. The allowance paid was in line with the IRPW determinations.

We recommend that the Council minutes its decision to pay all members allowances.

There are no further matters I wish to draw to the Council's attention.
